Mr. Jeff Sausele
General Manger
Belco Pipe Restoration
40 Austin Blvd.
Commack, NY 11725

Dear Jeff,

Wow! It took one week to restore Horizon Houses fourteen stories of vertical water pipes with Belco's state of the art innovative technology. Since Horizon House is a 41 year old building on the sands of the Gulf of Mexico, we were expecting the worst; what we got was the best. I want to thank you on behalf of our Association for a superior job. Your professionalism, experience and "can do" attitude brought the job in on time and on budget. I also want to recognize your crew, Dave, Ginge, Mick, Sal, Domingo, Elmer and Yonny who worked above and beyond to make this job successful. Belco saved us a significant amount of time; like 80% and significant money by restoring our pipes rather than having to replace them. I also had to answer fewer questions as to when the water will be turned on. If I can be of any help in explaining how our association saved money utilizing your company, I would be pleased to do so.

Sincerely,

A handwritten signature in blue ink that reads "Brooke Cobb". The signature is fluid and cursive, with the first name being the most prominent.
